FOREWORD

THIS is the Third Edition of the Roster and Directory of The Florida Bar. From the comments and reports received, it appears that the previous issues have been of interest and service not only to The Florida Bar but to the Courts and other organizations directly concerned with the administration of justice.

The Roster serves as an official membership list of The Florida Bar and is distributed to the County Judges and Clerks of all Courts in each county in compliance with Section 4, Article VIII, of the Integration Rule. In this manner, responsible authorities are made aware of those persons entitled to exercise the privilege of practicing law in Florida.

The Third Edition of the Roster and Directory has been compiled by Executive Director Kenneth B. Sherouse, Jr., and Assistant Director Robert C. Griffin together with the talented personnel of our Tallahassee office. It is hoped that its service to the Bench and Bar will continue and that you will find frequent occasions for its utility. As always, you are invited to give its Editor the benefit of your criticism or suggestions.

EDITORIAL NOTE

In previous years, the Integration Rule required the headquarters office to "furnish the County Judges and the Clerks of all Courts of Record in each county a list of all active members in good standing in their respective counties as of May 15 of each year and corrections and additions to such list as occasion may require." Copies of this list, known as the "May 15 List," were also required to be filed with the Clerk of the Supreme Court. As a matter of policy, the list also contained the names of all persons *not* in good standing and was furnished to all judges as well.

Under the Integration Rule as amended on 6 December 1955, the provision ordering a list as of May 15 was eliminated so that time would permit publication each summer of a truly *official* Roster, which could be distributed to the clerks and judges as a substitute for the old list and given to the members of The Florida Bar for their use, too. Thus this publication.

The clerks and judges will continue to receive monthly corrections to this Roster, throughout the year, so that they may be notified in a timely manner of the persons permitted to practice law in the State of Florida. The official Roster itself will be published in book form each summer.

The Codes of Ethics and other materials relating to professional conduct are not included because they are available in our publication, *Your Privileges and Responsibilities as a Lawyer in Florida.* (Additional copies may be obtained free from The Florida Bar.)

We suggest that a study of the table of contents will indicate to you the manner in which this Roster may be used to find a substantial quantity of valuable information. For example, all addresses are given in the alphabetical roster. Addresses are not furnished for section officers, committee members, and so forth. But they may be determined quickly by turning to the appropriate name in the alphabetical roster. Other useful reference material, some of which is not available elsewhere, may be found in the charts and tables.

Information on the alphabetical roster is correct as of May 24. The City roster also is correct as of May 24.

We urge you to note and patronize the outstanding advertisers whose support made possible this publication. Most of the Roster advertisers are also regular *Journal* advertisers, and during the year contribute substantially to our extensive printing program.

RECENT ADMITTEES TO THE BAR

On June 7, 1957, it was announced by the Florida Board of Bar Examiners that the following persons passed the March, 1957, bar examination.

The names, of course, were received by The Florida Bar too late for publication in either the alphabetical or city sections of the Roster and Directory, but admittees' names and city of residence, as furnished to the Board of Bar Examiners, are published here as a convenience. *Please note that at the time of publication these persons were not members of The Florida Bar because the official oath had not yet been administered.* It may be assumed that the oath will be administered to most of them in June.

Integration Rule

of

The Florida Bar*

Pursuant to the inherent powers of the Supreme Court of Florida, the Integration Rule of The Florida Bar is hereby amended to read as follows:

PREAMBLE

To inculcate in its members the principles of duty and service to the public, to improve the administration of justice, and to advance the science of jurisprudence, the following principles are expressly adopted by this Court:

(a) The Florida Bar, a body created by and existing under the authority of this Court, is charged with the maintenance of the highest standards and obligations of the profession of law, and to that end is vested by this Court, in the exercise of its inherent powers over The Florida Bar as an official arm of this Court, with the necessary powers and authority.

(b) Attorneys admitted to practice law in Florida are a part of the judicial system of Florida and officers of its courts.

(c) Persons of integrity and good character only shall be permitted to practice law in Florida.

(d) This Court has the inherent power and duty to prescribe the qualifications that shall be required for admission to practice law, to admit suitable persons to practice law, to prescribe standards of conduct for lawyers, to determine what constitutes grounds for the discipline of lawyers, to discipline for cause attorneys admitted to practice law in Florida, and to revoke the license of every lawyer whose unfitness to practice law has been duly established.

(e) All of the members of The Florida Bar have taken an oath to support the Constitution and the laws of this state and of the United States. As officers of the court, they are charged with obedience to these laws, both in and out of court, and with the duty to observe the high standards of the profession. A license to practice law is a proclamation by this Court that the holder is one to whom the public may entrust professional matters. The lawyer must be true to that trust and to his professional relationship to his client, whether such client be a public body or a private individual.

Article I

NAME

The name of the body created by this Rule shall be THE FLORIDA BAR.

* As revised and amended by the Supreme Court of Florida on 6 December 1955.

Article II

MEMBERSHIP

1. All persons licensed to practice law in this state shall be active members of The Florida Bar immediately upon issuance of license to practice by this Court.

2. No person shall engage in any way in the practice of law in this state unless such person is an active member of The Florida Bar in good standing except that a practicing attorney of another state, in good standing, who has professional business in a court of record of this state may, upon motion, be permitted to practice for the purpose of such business only, when it is made to appear that he has associated and appearing with him in such business an active member of The Florida Bar.

3. A member of The Florida Bar in good standing may, upon petition to and with the approval of the Board of Governors, resign from The Florida Bar and, thereupon, unless again admitted, shall not practice law in this state. A member who has resigned may be admitted again upon full compliance with the rules and regulations governing admissions to the Bar.

4. Any member of The Florida Bar who shall have attained the age of 65 years, or who shall have practiced law in the State of Florida for 35 years, or who shall be physically disabled to the extent that he cannot engage in the practice of law, may retire from The Florida Bar upon petition to and approval by the Board of Governors. A retired member of The Florida Bar shall not be privileged to practice law or be required to pay dues. A retired member may be reinstated to active membership upon application to and approval by the Board of Governors.

5. A lawyer who has been adjudged insane or mentally incompetent shall be suspended from the practice of law. If an order of restoration is entered by a court having jurisdiction, he may apply to the Board of Governors for reinstatement on the roll of attorneys.

6. It shall be the duty of each member of The Florida Bar immediately to advise the Executive Director of any change of mailing address or military status.

Article III

BOARD OF GOVERNORS

1. The Board of Governors shall be the governing body of The Florida Bar. The Board shall consist of the President of The Florida Bar, the President-elect, the President of the Junior Bar Section, and representatives elected from the active members of The Florida Bar in each judicial circuit on the basis of one member for each circuit having 300 active members of The Florida Bar, or fraction thereof, and in circuits having more than 300 active members, one for each 300 active members or fraction thereof; with a limit of not more than 3 representatives for any one judicial circuit.

2. The members of the Board of Governors from each judicial circuit shall be nominated and elected by the active members of The Florida Bar residing in such judicial circuit. Each elected member shall hold office for two years and until his successor is elected and qualified. Elections in odd numbered circuits shall be held in odd numbered years, and elections in even numbered circuits shall be held in even numbered years. The By-Laws

shall provide for all nominations and elections of members of the Board of Governors. Newly elected members shall take office at the conclusion of the annual meeting of The Florida Bar following election to office. Any vacancy on the Board of Governors arising in the office of representative from a judicial circuit shall be filled by vote of the remaining members of the Board for the unexpired term, from the active membership of such circuit.

3. The Board of Governors shall have the power and the duty fully to administer this Rule, including the power to employ necessary personnel, and to publish *The Florida Bar Journal,* which shall be the official publication of The Florida Bar. The Board of Governors shall adopt, amend or rescind the By-Laws in the manner provided in this Rule, and it shall adopt a common seal.

Article IV

OFFICERS

1. The officers of The Florida Bar shall be a President, a President-elect, and an Executive Director.

2. A President-elect shall be elected each year in the manner prescribed by the By-Laws, and shall take office as President-elect for the following year at the conclusion of the annual meeting following election to office. The President-elect shall take office as President at the conclusion of the annual meeting following his term as President-elect.

3. In the event the President is absent or unable to act, his duties shall be performed by the President-elect; and in the event of the death or resignation of the President, the President-elect shall serve as President during the remainder of the term of the office thus vacated, and then shall serve as President for the term for which he was elected. In the event of the death or disability of both the President and the President-elect, the Board of Governors shall elect an Acting President of The Florida Bar to hold office until the next succeeding annual meeting.

4. No active member of The Florida Bar shall be ineligible for election to the office of President or President-elect by reason of the fact that as a representative or representative-elect from a judicial circuit he is a member or member-elect of the Board of Governors; but anyone elected to the office of President or President-elect shall be entitled to cast only one vote on matters of business coming before the Board for consideration.

5. The Executive Director shall be chosen annually by the Board of Governors. He shall perform the duties of and serve as the Treasurer, and shall perform such other executive, editorial and administrative duties as may be assigned to him by the Integration Rule, the By-Laws, and by the Board of Governors. He shall furnish bond as directed by the Board of Governors.

Article V

SECTIONS AND COMMITTEES

1. There shall be a section of The Florida Bar composed of all active members under the age of thirty-six, to be known as the Junior Bar Section, with such powers and duties as shall be prescribed by the Board of Governors of The Florida Bar.

2. The Board of Governors may create such additional sections as it may consider desirable, and shall prescribe the powers and duties of such sections.

3. Regulations adopted by any section shall be subject to the approval of the Board of Governors of The Florida Bar.

4. The Board of Governors may create such standing committees as it may deem desirable.

5. The powers and duties of all standing committees shall be prescribed by the By-Laws. The Board of Governors may in its discretion provide that members of such committees shall serve for staggered terms.

6. The President, with the approval of the Board of Governors, shall appoint the standing committees as specified in the By-Laws, including an Executive Committee composed of the President and not less than three nor more than five other members of the Board, and such special committees as he may deem desirable.

7. The Executive Committee shall have the power to act upon such matters as may arise and require disposition between meetings of the Board of Governors. Actions taken by the Executive Committee shall be in harmony with the policies as established by the Board, and shall be subject to confirmation by the Board.

Article VI

MEETINGS

1. An annual meeting of The Florida Bar shall be held each year not later than July 1st at such time and place as may be designated by the Board of Governors. At or prior to the annual meeting, there shall be made or published an address by the President on the state of The Florida Bar, reports of the proceedings of the Board of Governors since the last annual meeting, reports of officers, sections and committees, and recommendations submitted in connection with these reports.

2. Special meetings of The Florida Bar may be held at such times and places as may be determined by the Board of Governors. The Executive Director shall call a special meeting of The Florida Bar upon petition signed by not less than twenty per cent of the active members, and such special meeting shall be called within 30 days after the petition is filed with the Executive Director. The business to be transacted at special meetings shall be as is specified in the call, which shall include the business set forth in the petition and such other matters as may be specified by the Board of Governors.

3. At least twenty days' notice of all meetings of The Florida Bar shall be given to the membership.

Article VII

BY-LAWS

By-Laws, not inconsistent with this Rule, may be adopted, amended, altered or repealed by the Board of Governors or by the active members of The Florida Bar at a regular or special meeting. All such by-laws, amendments, alterations or repeals shall be promptly published in *The Florida Bar Journal*. The action of the members of The Florida Bar, or the Board of Governors, in this respect, may be the subject of a petition for review to be filed in this Court within thirty days after such publication. The petition shall be signed by at least twenty-five active members of The Florida Bar. This Court may consider the petition for review in such manner as it deems proper and may approve, modify or disapprove the action under review.

Article VIII

DUES

1. On or before January 1st of each year every active member of The Florida Bar shall pay annual dues to The Florida Bar in such an amount as shall be set at an annual meeting, and shall also file with the Executive Director a statement setting forth his business and residential addresses and any other information that may be required by the Board of Governors, provided that at no annual meeting shall the dues be fixed at more than $15.00 per annum and that for the year 1956 annual dues may be fixed by the Board of Governors in an amount not to exceed $15.00.

2. When any member is in arrears in the payment of dues for one month, the Executive Director shall send written notice by registered or certified mail to such member at his last business address. Within ninety days after the posting of the notice, such member may pay his dues in full, together with a delinquency charge of Five Dollars. Upon failure to make these payments within the ninety-day period, he shall become a delinquent member, entitled to none of the privileges of membership in The Florida Bar, and shall not practice law in this state. He may thereafter reinstate this membership upon petition to and approval by the Board of Governors and the payment of all fees and charges owing by him, including a reinstatement fee of Ten Dollars.

3. Dues shall not be payable until January 1st next following date of admission to The Florida Bar.

4. The Executive Director shall furnish the County Judges and the Clerks of all Courts of Record in each county a list of all active members in good standing in their respective counties and shall furnish corrections and additions to such list as occasion may require. A list of all active members in good standing in the state, and corrections and additions, shall likewise be filed with the Clerk of the Supreme Court.

5. The annual dues of The Florida Bar shall not include the dues of local or regional voluntary bar associations, and shall not be shared with such associations. The Florida Bar may, however, as it sees fit, cooperate with and encourage local or regional voluntary bar associations.

Article IX

DISBURSEMENTS

1. In accordance with appropriations approved by the Board of Governors, the Executive Director only, in his capacity as Treasurer, shall make such disbursements as are required to pay the necessary obligations and expenses of The Florida Bar, its officers and committees. The Board of Governors shall cause proper books of account to be kept, and shall have an annual audit made by a certified public accountant. At each annual meeting of The Florida Bar, the Board of Governors shall present a financial statement of the receipts and disbursements of The Florida Bar. The annual financial statement shall be published in *The Florida Bar Journal,* and shall also be filed with the Clerk of the Supreme Court.

2. No member of the Board of Governors, and no member or officer of The Florida Bar, other than the Executive Director and the personnel employed in his office, and except as may be authorized pursuant to

Article XI hereof, shall receive compensation, but any such person may, with approval of the Board of Governors, be reimbursed for reasonable expenses incurred in the performance of services for The Florida Bar.

Article X

RULES OF PROFESSIONAL CONDUCT

The Court adopts, as a code of ethics applicable to the members of The Florida Bar, the Canons of Ethics now adopted or that shall hereafter be adopted by the American Bar Association and the Canons of Ethics for Judges and Attorneys promulgated by this Court on January 27, 1941, and the Rules of Conduct adopted on the same date.

Article XI

DISCIPLINE

1. The following principles, among others expressly adopted by this Court, shall govern the conduct of members of The Florida Bar in their capacity as attorneys and shall govern all proceedings for discipline of such members: A license to practice law confers no vested right to the holder thereof, but is a conditional privilege revocable for cause. The primary purpose of discipline of attorneys is the protection of the public, the profession, and the administration of justice, and not the punishment of the person disciplined. It is the obligation of The Florida Bar and individual members thereof to give unlimited cooperation and assistance to this Court and its duly appointed agents in discharging all its functions and duties with respect to discipline and in purging the profession of the unworthy.

2. This Court has heretofore adopted and approved a code of ethics governing judges and attorneys and rules governing the conduct of attorneys in Florida, but does not undertake by such code and rules or by the present rules to promulgate a code governing all causes for discipline. The enumeration here of certain categories of misconduct as constituting grounds for discipline shall not be deemed to be all-inclusive, nor shall the failure to specify any particular act of misconduct be construed as a tolerance thereof by this Court.

The commission by a lawyer of any act contrary to honesty, justice, or good morals, whether the act is committed in the course of his relations as an attorney or otherwise, and whether or not the act is a felony or misdemeanor, constitutes a cause for discipline. If the act constitutes a felony or misdemeanor, conviction thereof in a criminal proceeding is not a condition precedent to discipline.

A final adjudication of misconduct in a disciplinary proceeding by a court of another state in which an attorney has been licensed to practice shall be considered as conclusive proof of such misconduct in a disciplinary proceeding in this state. Conviction of a member of The Florida Bar in any court of this state or of any other state, territory, or of the United States of any crime or offense that is a felony under the laws enforced by such court, shall be conclusive proof of the guilt of the respondent.

The practice of solicitation of professional employment by advertisement, runners, solicitors, investigators, or in any other manner shall con-

stitute ground for discipline. Payment of compensation shall not be a necessary element of proof of solicitation.

Where money or other property has been entrusted to an attorney for a specific purpose, he must apply it to that purpose. He may not avail himself of a counterclaim or setoff for fees against any money or other property of his clients coming into his hands, and a refusal to account for and deliver over such money or property upon demand shall be deemed a conversion. This does not apply to the retention of money or other property upon which the lawyer has a valid lien for his services. Controversies as to the amount of fees shall not be considered a basis for a complaint in a disciplinary proceeding unless it is charged that the amount demanded as fees is extortionate or fraudulent.

3. This Court expressly imposes upon the Board of Governors of The Florida Bar the duty of investigating the conduct of members of the Bar, of filing complaints, of trying the charges against such members, and entering judgments on such charges in accordance with the provisions of this Article. The Board of Governors, subject to and consistent with the provisions of this Article, may, through its by-laws, provide the method and procedure necessary to discharge the duties imposed upon it by this Article.

The Florida Bar is expressly authorized to call upon the accused attorney to make specific and complete disclosure as to all material matters by answer or testimony. Any person, including the accused attorney, who is subpoenaed to appear and give testimony or to produce books, papers, or documents, and refuses to appear or to produce such books, papers, or documents, or who, having duly sworn to testify, refuses to answer any proper question, shall be guilty of contempt of this Court.

The Florida Bar is expressly authorized to reprimand privately or place on probation any accused attorney without further order of this Court.

4. All investigations and the hearings of all disciplinary cases shall be begun, prosecuted, and completed as promptly as the ends of justice will permit. All investigations and hearings shall be informal but thorough, with the objective of ascertaining the truth.

5. Disciplinary Procedure.

(a) *Grievance Committees.*

The Board of Governors shall have authority to appoint one or more Grievance Committees in each judicial circuit. Each Grievance Committee shall consist of not less than three, nor more than five, members of the Bar.

(b) *Investigation of Probable Cause.*

The Board of Governors and its duly appointed committees, including Grievance Committees, shall have power to investigate or cause to be investigated all misconduct by members of The Florida Bar, active or retired, that may be brought to the attention of the Board or such committees for the purpose of determining whether there is probable cause to believe that a member or members have been guilty of misconduct justifying disciplinary action. Such investigating body may initiate investigations at any time and place deemed by it advisable, and it shall have power to summon witnesses, to administer oaths, and to order the production of books, records, or other documentary evidence. Any refusal to comply with

any proper order or direction of the Board of Governors or any such committees shall be reported to a judge of the appropriate Circuit Court for summary action thereon. Unless such investigating body shall determine that there is no such probable cause, it shall give each accused attorney an opportunity to explain or refute the evidence of his alleged misconduct.

If, after completing its investigation, the investigating body shall determine that there is probable cause of misconduct, it shall forthwith file with the Executive Director of The Florida Bar a Report containing its findings and recommendations as to each instance of misconduct, together with supporting papers, proofs, and transcript. Upon receipt thereof, the Executive Director shall forthwith serve a copy of the Report upon the accused attorney.

If the Board of Governors finds from such Report that there is probable cause of misconduct justifying disciplinary action, it shall cause a Complaint in writing to be prepared and filed in the office of the Executive Director of The Florida Bar. The Complaint shall set forth a short and plain statement of the ultimate facts constituting the alleged misconduct, and a copy thereof shall be served upon the accused attorney.

Upon consideration of the Report, the Board of Governors may direct that a further investigation be made by such investigating body, or that no complaint be filed. Each accused attorney shall be notified of the Board's action.

(c) *Hearing.*

The Board of Governors of The Florida Bar shall annually certify to this Court a panel of members of The Florida Bar for the Court's approval to serve as Referees. Referees in disciplinary matters shall be designated by the Board of Governors from this panel as hereinafter provided.

The Board of Governors shall appoint an active member or members of the Bar to present the evidence of the charges to the Referee and to take such other actions in the proceedings as the Board may direct. Where, however, the accused attorney pleads guilty to all charges and does not request an opportunity to present evidence before a Referee, the Board of Governors need not, in its discretion, appoint a Referee and may enter a judgment based upon such plea of guilty.

In every case in which the Board of Governors of The Florida Bar shall direct the filing of a Complaint, it shall appoint a Referee from the approved panel to conduct the hearing on the Complaint. The Referee shall have such powers as are necessary to conduct a proper and speedy hearing of the cause, including the power to take or cause to be taken depositions of witnesses, to issue subpoenas, and to compel the attendance of witnesses. Any refusal to comply with any proper order or direction of the Referee shall be reported to the judge or judges of the appropriate Circuit Court for summary action thereon. The only pleadings permissible are the Complaint, the answer thereto and motions challenging the sufficiency of the Complaint or the jurisdiction of the forum. They shall be reviewed by this Court only after final judgment.

Any person bringing the charges, in person or by his attorney, or both in person and by his attorney, may be present at all hearings conducted by the Referee.

The hearing shall be held in the county in Florida in which the

accused attorney last resided or practiced, or in which the alleged offense was committed, and reasonable notice of the time and place of the hearing, not to be less than twenty days, shall be given to the accused attorney.

The Referee shall submit to the Board of Governors his Report, which shall include his findings of fact and his recommendations, together with a transcript of evidence taken.

(d) *Review and Judgment.*

Upon receipt of the Report of the Referee, the Board of Governors shall have authority to dismiss the Complaint, to remand the cause for further testimony, to administer a private reprimand to the accused attorney in a proper case, to place such attorney upon probation, or to file its judgment and the record with the Clerk of this Court. The review of the Board of Governors shall be based upon the record, and the Board shall hold a hearing on questions arising from the record. When the Board of Governors adjudges that an attorney be disbarred, suspended, publicly reprimanded, or disciplined (other than by private reprimand or by being placed on probation), it shall immediately file a certified copy of its judgment with the Clerk of this Court, together with a transcript of the evidence and the other proceedings in the cause.

(e) *Petition for Appellate Review.*

Upon such filing, the Clerk shall immediately serve a copy of the Board's judgment upon the accused attorney. Within thirty days after the filing thereof (or within such shorter time as the Court may determine), any person so adjudged to be disbarred, suspended, or disciplined, may petition the Court to review such judgment and to reverse or modify it, and, upon such review, the burden shall be upon the petitioner to show wherein such judgment is erroneous, unlawful, or unjustified. If no petition for review is filed within the prescribed time, the judgment of the Board of Governors shall become the judgment of this Court. If, upon review, the judgment of the Board of Governors is approved, disapproved, or modified, an appropriate order shall be made by this Court.

When a petition for review shall be filed in this Court, the accused attorney may appear in person or by his attorney, and The Florida Bar shall be represented by a member or members of the Bar appointed by the Board of Governors. The cause shall be heard by this Court on briefs or oral argument, or both, as it may determine.

(f) *Expenses and Costs.*

The Board of Governors shall have the authority to defray all necessary expenses incurred in conducting investigations and hearings under this Article, including the traveling expenses and reasonable compensation of the Referee.

In the event the accused attorney is found guilty of any of the charges made, costs may be awarded against him by this Court.

(g) *Service upon Accused Attorney.*

Whenever under the provisions of this Article service of any paper or papers is required to be made upon an accused attorney, such service may be effected personally or by mailing a copy of such paper or papers by registered mail to such attorney at his last-known address according to the records in the office of The Florida Bar.

(h) *Proceedings Confidential.*

Unless otherwise requested by the accused attorney, investigations and hearings shall not be made public until the judgment of the Board of Governors is filed in this Court.

(i) *Reinstatement.*

This Court expressly imposes upon the Board of Governors the duty of investigating the matters involved in any petition for reinstatement that may be filed after disbarment or suspension, and of making recommendations to this Court concerning such petition. The Board of Governors, subject to and consistent with the provisions of this Article, may, through its By-Laws, provide the method and procedure necessary to discharge the duties imposed upon it by this Article.

A petition for reinstatement after disbarment or suspension shall be addressed to the Board of Governors in writing, shall be verified by the petitioner, and shall be filed in duplicate with the Executive Director of The Florida Bar. It shall set forth the age, residence, and address of the petitioner, the offense or misconduct upon which the disbarment or suspension was based, a concise statement of the facts claimed to justify reinstatement, and the name and address of any complainant in the original proceedings. One copy of the petition shall be promptly filed by the Executive Director with the Clerk of this Court.

The Board of Governors or its duly appointed committees, including Grievance Committees, shall promptly investigate the matters alleged in the petition. The Board of Governors and such committees are authorized to take evidence on reasonable notice to the petitioner, in opposition to allegations in said petition or pertinent to the consideration of said petition. The Board shall make recommendations concerning the petition and shall file with the Clerk of this Court a certified copy of its recommendations, together with a transcript of the evidence and the other proceedings in the cause. Upon such filing, the Clerk shall immediately serve a copy of the Board's recommendations upon the petitioner. Within thirty days after the filing thereof (or within such shorter time as this Court may determine), the petitioner may petition this Court to review said recommendations and to deny or modify them, and upon such review the burden shall be upon the petitioner to show wherein such recommendations are erroneous, unlawful, or unjustified. If no petition for review is filed within the prescribed time, the recommendations of the Board of Governors may be approved and, in that event, an appropriate order shall be made by this Court. If, upon review, the recommendations of the Board of Governors are approved, denied, or modified, an appropriate order shall likewise be made by this Court.

No oral argument shall be heard on a petition to review the Board's recommendations, except upon special order of this Court. If oral argument is ordered, the petitioner may appear in person or by his attorney, and The Florida Bar shall be represented by a member or members of the Bar appointed by the Board of Governors.

No petition for reinstatement shall be filed within one year following an adverse decision of this Court upon a formal petition for reinstatement filed by or on behalf of the same person.

No petition for reinstatement shall be considered unless such petition shall be accompanied by proof that all costs assessed against the disciplined attorney in the prior disciplinary proceedings against him have

been secured. An unsuccessful petitioner in reinstatement proceedings shall pay the costs thereof.

6. Nothing in this Integration Rule shall be construed as limiting or altering the power of the Circuit Court or any other court of Florida to discipline attorneys as that power may now or hereafter exist. In all such proceedings the judges of such court shall cause to be filed with the Clerk of the Supreme Court two copies of all final judgments rendered, and the Clerk will furnish one copy to the Executive Director of The Florida Bar for filing in its records. The expense of making and filing such copies shall be paid by the Board of Governors of The Florida Bar.

Article XII

The Board of Governors of The Florida Bar may establish *The Florida Bar Foundation,* with such organization, purposes and powers as this Court may approve.

Article XIII

AMENDMENTS

Petitions for revision of, or amendments to, this Rule will be entertained by the Supreme Court when presented by the Board of Governors or by not less than twenty-five active members of The Florida Bar. Notice of the filing of the petition shall be published in an issue of *The Florida Bar Journal,* not less than twenty days prior to the hearing on any such petition.

The Executive Director shall issue to retired members such special membership card or certificate as may be authorized by the Board of Governors.

Article III

BOARD OF GOVERNORS

Section 1. DUTIES AND RESPONSIBILITIES. The Board of Governors shall be charged with the duty and responsibility of enforcing and carrying into effect the provisions of the Integration Rule, and the accomplishment of the aims and purposes of The Florida Bar. The Board of Governors shall direct the manner in which all funds of The Florida Bar are disbursed and the purposes therefor, and shall adopt and approve a budget for each fiscal year. The Board of Governors shall perform all other duties imposed under the Integration Rule and shall have full power to exercise such functions as may be necessary, expedient or incidental to the full exercise of any powers bestowed upon it by the Integration Rule or any amendment thereto or by these By-Laws.

Nominees shall endorse their written acceptance on such petitions. All nominating petitions shall be filed with the Executive Director at the headquarters office, or shall be postmarked, prior to February 15. Section 3. ELECTION. Voting shall be by secret ballot. The Executive Director shall prepare and cause to be printed a sufficient number of ballots for each judicial circuit in which an election is to be held, and where more than one candidate has been nominated for any position to be filled on the Board of Governors. The ballots shall be mailed on or before March 1, and voted ballots shall be filed with the Executive Director or postmarked prior to midnight on March 15. Ballots not filed or postmarked within such period of time shall not be counted or tabulated. Immediately after March 15, the Executive Director and the Clerk of the Supreme Court of Florida shall canvass and tabulate the ballots received and certify the results of the election. Failure to make a nomination shall result in a vacancy to be filled in accordance with the provisions of Section 2 of Article III of the Integration Rule as amended. Candidates receiving the highest number of votes cast shall be declared elected. In the event that only one candidate has been nominated for a particular place on the Board of Governors in any judicial circuit, such candidate shall be declared elected. Results of the election shall be furnished by the Executive Director to the officers, members of the Board of Governors, and all candidates, and may be furnished to any other interested persons upon their request.

Section 4. REMOVAL. If any member of the Board of Governors should be determined by such Board to have become so incapacitated as to prevent performance of his duties as a member of said Board, such member may be removed by resolution adopted by a majority of the Board of Governors declaring his position vacant. Any member of the Board of Governors may be removed for cause by resolution adopted by two-thirds of the entire membership of the Board of Governors.

Section 5. VACANCY. Any vacancy arising on the Board of Governors shall be filled by vote of the remaining members of the Board for the unexpired term, from the active membership of the circuit in which such vacancy occurs.

Minutes of all meetings shall be kept by the Executive Director.

Section 7. QUORUM. A majority of the members of the Board of Governors shall constitute a quorum for the transaction of business at all meetings, and no action whatever may be taken except upon a majority vote of the members present and voting.

Article IV

Section 2. PRESIDENT. The President shall conduct and preside at all meetings of The Florida Bar and the Board of Governors. He shall be the official spokesman for The Florida Bar and the Board of Governors. The President shall appoint all committees, except Grievance Committees, with the approval of the Board of Governors. He shall be the chief executive of The Florida Bar, and shall be vested with full power to exercise whatever functions may be necessary or incident to the full exercise of any power bestowed upon him by the Board of Governors, not inconsistent with the provisions of the Integration Rule. It shall be the duty and obligation of the President to furnish leadership in the accomplishment of the aims and purposes of The Florida Bar.

Section 3. PRESIDENT-ELECT. It shall be the duty of the President-elect to render every assistance and cooperation to the President, and provide him with the fullest measure of counsel and advice. In the event of the absence of the President or his inability to act, the President-elect shall fulfill the duties of the President. He shall familiarize himself with all activities and affairs of The Florida Bar, and shall have such other duties as may be assigned to him by the Board of Governors. In the event the President-elect is absent or unable to act, or in the event of his death, disability or resignation, the Board of Governors shall select an acting President-elect to hold office until a successor shall have been elected by the active members of The Florida Bar in good standing at a special election held pursuant to the direction of the Board of Governors.

Section 4. EXECUTIVE DIRECTOR. The Executive Director, chosen by the Board of Governors, shall perform all duties usually required of a secretary and a treasurer, and such other duties as may be assigned to him by the Board of Governors. The Executive Director shall serve as Editor of *The Florida Bar Journal,* and as Director of Public Relations, until otherwise directed by the Board of Governors. He shall keep the records of The Florida Bar and the Board of Governors. He shall maintain and be in charge of the headquarters office, and shall devote his full time to the work of The Florida Bar. The Board shall fix his salary and other benefits and emoluments of office. The Executive Director, with the approval of the Board of Governors, may employ such clerical assistance as the work of the office may require, salary budget to be approved by the

Board of Governors and paid out of the funds of The Florida Bar. He and such office personnel as the Board of Governors may direct shall be required to execute corporate surety bonds in such amount as the Board may direct, conditioned upon the faithful performance of their duties, the premiums for which shall be paid by The Florida Bar. All his accounts shall be audited annually by a certified public accountant, and a statement of the audit furnished to the Board of Governors for approval.

Section 5. QUALIFICATIONS. Only active members of The Florida Bar in good standing shall be eligible to hold any elective office in The Florida Bar. No officer of The Florida Bar shall engage in any political activities on behalf of any candidate for public office, except in furtherance of the objectives of The Florida Bar and with the approval of the Board of Governors.

Section 6. ELECTION. The active members of The Florida Bar in good standing shall elect annually a President-elect, who shall become President at the conclusion of the annual meeting following his term as President-elect. The President-elect shall be elected in the manner and form provided for the election of members of the Board of Governors, except that the election shall be for the entire state instead of by judicial circuits. Such ballots may include provisions for voting for members of the Board of Governors in accordance with Article III of these By-Laws. The ballots cast at such election shall be marked and returned by the voting member and thereafter canvassed and the results certified as provided by Section 3 of Article III of the By-Laws.

Section 7. NOMINATIONS. Any active member of The Florida Bar in good standing may be nominated as a candidate for President-elect by petition signed by not less than twenty-five other active members of The Florida Bar in good standing. Such nominating petitions shall be filed with the Executive Director at the headquarters office, or shall be postmarked, prior to February 15. Nominees shall endorse their written acceptance upon such petition. No member shall sign more than one nominating petition, but signers need not reside in the same judicial circuit as the candidate.

At a meeting prior to February 15 of each year, the Board of Governors shall nominate by majority vote two active members of The Florida Bar in good standing as candidates for President-elect, who shall not reside in the same judicial circuit.

The names of all candidates nominated for President-elect, either by petition or by the Board of Governors, shall be listed alphabetically on the official ballot. The candidate receiving a majority of the votes cast shall be elected. If no candidate receives a majority, then a further ballot shall be mailed listing only the two candidates receiving the highest number of votes cast. The procedure, time, canvassing, and certification of results in connection with the election of a President-elect shall be in accordance with the provisions of these By-Laws governing the election of members of the Board of Governors.

Article V

SECTIONS & COMMITTEES

Section 1. SECTIONS. All Sections shall be governed by the provisions of the Integration Rule, By-Laws of The Florida Bar, and By-Laws

of the Section approved by the Board of Governors. It shall be the duty of all Sections, as an integral part of The Florida Bar, to work in cooperation with the Board of Governors, and under its supervision, towards accomplishment of the aims and purposes of The Florida Bar. Any additional sections may be created by the Board of Governors as shall be deemed necessary or desirable, and the powers, duties, functions and scope thereof shall be prescribed by the Board of Governors.

Section 2. COMMITTEES. The Board of Governors shall create from time to time such committees as it may deem advisable and necessary and shall define the powers, duties, functions and scope of each committee. As soon as practicable after each annual meeting of The Florida Bar, the President, with the advice and consent of the Board of Governors, shall appoint the members of all committees, except the Grievance Committees, for the ensuing administrative year, and shall name and designate the chairman and vice-chairman of each committee. The members of such committees shall serve for the term of the President appointing them, except that the Board of Governors may provide for members of any standing committee to serve for staggered terms beyond the current administrative year. Vacancies occurring in the membership of such committees shall be filled by the President, with the advice and consent of the Board of Governors, for the remainder of the unexpired term. Each committee may select from its membership such officers, other than the chairman and vice-chairman, as it deems advisable, and sub-committees may be designated from the membership. The President, with the advice and consent of the Board of Governors, may appoint additional members to a committee or remove members from a committee. The Board of Governors may dissolve a committee when it deems that the work of such committee has been completed, or when it deems that a committee is no longer necessary. Each committee shall meet at such times and places as may be designated by the chairman or vice-chairman. Each committee shall file with the Executive Director annual reports of all proceedings and recommendations, and such interim reports as desired or as may be requested by the President or the Board of Governors. Upon the termination of its duties or term, each committee shall deliver to the successor membership, if such there be, or to the Executive Director, all files, reports, records, data, and information accumulated by the committee. No action, report or recommendation of any committee shall be binding upon The Florida Bar unless adopted and approved by the Board of Governors.

Section 3. STANDING AND SPECIAL COMMITTEES. The Board of Governors, as soon as practicable, shall determine and designate which committees shall be considered as standing committees (permanent) and which committees shall be considered as special committees (temporary or limited), and shall define the specific powers, duties, functions and scope thereof.

Section 4. EXECUTIVE COMMITTEE. The Executive Committee shall be charged with the duty of advising and counseling with the President, and rendering assistance and cooperation to such officer. The Executive Committee shall have full power and authority to exercise the functions of the Board of Governors during the interim between meetings of the Board of Governors. All actions taken by the Executive Committee shall be subject to approval, confirmation or ratification by the Board of

Governors. The Executive Committee shall exercise such other functions as may be delegated to it by the Board of Governors.

Section 5. GRIEVANCE COMMITTEES. The Board of Governors shall appoint Grievance Committees for all judicial circuits of the state, and shall have the power and authority to appoint such special grievance committees and special investigators as the Board of Governors may deem necessary in connection with any disciplinary matter. The Board of Governors shall prescribe an oath of office for Circuit Grievance Committee members, and shall provide for administration of the oath before entering upon the duties of Grievance Committee members. Such special grievance committees or special investigators shall conduct investigations under the control, direction and supervision of the Board of Governors, and shall be vested with such powers, duties and authority as may be delegated by the Board of Governors. The Board of Governors shall issue to the grievance committees, from time to time, such written instructions, interpretations, rules and regulations as may be necessary in order to maintain uniform and standard disciplinary procedure in all judicial circuits.

Section 6. FINANCES OF SECTIONS AND COMMITTEES. No committee or section shall incur any debt payable by The Florida Bar without prior approval of the Board of Governors. Each committee and section shall file with the Executive Director a detailed statement setting forth any funds needed or required in connection with the work of such committee during the ensuing administrative year for consideration by the Budget Committee and inclusion in the annual budget of The Florida Bar after approval by the Board of Governors.

Article VI

MEETINGS

Section 1. ANNUAL MEETING. A program for the annual meeting of The Florida Bar shall be prepared by the President, with the advice and consent of the Board of Governors. Such program, when approved by the Board of Governors, shall be the order of business for the annual meeting, and such order of business shall not be altered, except by consent of two-thirds of the active members present and voting. Only the President, with the advice and consent of the Board of Governors, shall have the authority to extend invitations to non-members to attend the annual meeting as honored guests or speakers at the expense of The Florida Bar. No section or committee shall create any debt of The Florida Bar in connection with an annual meeting without prior approval of the Board of Governors. All papers, addresses and reports read before or submitted at a meeting shall become the property of The Florida Bar and may be published by The Florida Bar. A registration fee for attendance at the annual meeting may be fixed by the Board of Governors to defray the costs and expenses in connection with such meeting.

Section 2. RULES OF PROCEDURE. Only active members of The Florida Bar shall be entitled to vote at the annual meeting. Any resolution proposed at the annual meeting shall be in writing, and shall be referred, without debate or discussion, to the Resolutions Committee for consideration before presentation to the meeting for action. Resolutions may be offered by any active member. Unless indicated on the official program,

no person shall speak for more than ten minutes or more than twice on any matter, except upon consent of a majority of the active members present and voting at the meeting. No legislative matter shall be recommended, approved, disapproved or endorsed by The Florida Bar unless such action is initiated by a written report and recommendation of a committee and approved by a majority vote of the active members present at the meeting; or, legislative matters may be recommended, approved, disapproved, or endorsed on behalf of The Florida Bar at any time by two-thirds vote of the entire Board of Governors, and during the time when the Legislature is in session the Executive Committee may act upon pending or proposed legislation. Members of the Bar of any foreign country or any state, district or territory, who are not active members of The Florida Bar, may be accorded the privilege of the floor at any annual meeting.

No person failing to make payment of his annual dues in compliance with Article VIII of the Integration Rule as amended shall engage in the practice of law, or be entitled to receive any of the privileges and benefits accorded to active members of The Florida Bar. Failure to receive notice or demand of payment of dues shall not relieve any person of the duty to comply with the requirements of the Integration Rule. The Executive Director shall issue to each member making payment of his dues an official membership card certifying that such member has paid annual dues for the current year, which membership card shall be evidence that the person named therein is an active member of The Florida Bar in good standing.

Section 2. DELINQUENT MEMBERS. Upon expiration of the time fixed by Article VIII of the Integration Rule as amended, the Executive Director shall compile a list of all persons who have become delinquent members, as defined by Section 3 of Article II of these By-Laws, and

RULES OF DISCIPLINARY PROCEDURE

Circuit Grievance Committee

1. *Organization.* Every member of a Grievance Committee shall take an oath of office. Unless appointed by the Board of Governors, a chairman, a vice-chairman, and a secretary shall be elected by each Grievance Committee.

2. *Changes in Committees; Continuing Power.* Notwithstanding changes which may be made by the Board of Governors in the number or personnel of members of a committee, the committee as theretofore constituted shall have jurisdiction and power to proceed in all preliminary investigations and formal hearings commenced prior to such changes.

3. *Meetings; Quorum.* Meetings of a committee may be held at such place and at such time as may be fixed by the committee. Meetings may also be held at the call of the chairman or vice-chairman. Notice of the time and place of all meetings shall be given at least one day prior thereto.

A majority of a committee constitutes a quorum for the transaction of business.

4. *Quarterly Reports.* Unless otherwise ordered by the Board of Governors, each committee shall, not later than the tenth day of each quarter, prepare and file with the Board of Governors a report, in accordance with and upon forms authorized by the Board of Governors, setting

forth the status of all preliminary investigations and formal proceedings pending before the committee, the progress thereof during the preceding quarter, the disposition of all matters concluded by the committee during such period, and expenses incurred and paid.

Each such report shall indicate any charge against or conviction of a member of The Florida Bar of a felony or of a misdemeanor involving moral turpitude had within the circuit since the last report; and also a statement concerning any disciplinary proceedings against a member of The Florida Bar had in any court within the circuit since the last report.

Disciplinary Proceedings

a. General Provisions

5. *Confidential Nature of Hearings and Records.* All disciplinary proceedings prior to the filing of the judgment of the Board of Governors as set forth in Rule 35 hereunder shall be confidential unless otherwise requested by the accused attorney.

Except when ordered by the Board of Governors, and except as provided in Rule 6 hereof, no information concerning the pendency or status of a preliminary investigation or formal proceeding shall be given unless and until a judgment of the Board of Governors is filed with the Clerk of the Supreme Court, except to members of the Board of Governors, officers of The Florida Bar and their assistants, the members of the circuit Grievance Committee hearing the matter, a member of The Florida Bar representing the Bar, the accused attorney, and his counsel.

The files and records of all preliminary investigations and formal proceedings are the property of the Bar and are confidential except as in these Rules otherwise provided.

Upon request, the accused attorney and his counsel are entitled in a preliminary investigation to be apprised, at the time of or subsequent to the giving of the notice to the accused attorney provided for by Rule 17, of the nature of the charges which are the subject of the investigation and to be apprised of any determination by the committee that no complaint should be filed and, in a formal proceeding, to a reasonable opportunity to inspect any pleadings, transcript, exhibits and the findings, conclusions, and recommendation reported to the Board of Governors by the Referee in accordance with Rule 30.

6. *Complaining Witness May Be Advised or Represented.* Upon request, the complaining witness may be advised by the Executive Director, or the chairman or secretary of the appropriate committee, of the status of a preliminary investigation or formal proceeding. Further, subject to the discretion of the Circuit Grievance Committee, the complaining witness may be accompanied by counsel while testifying before Circuit Grievance Committees, and the complaining witness shall have the right to be present in person or by counsel while the accused attorney testifies before said Circuit Grievance Committee.

7. *Place of Investigation and Hearing.* The preliminary investigation, provided for in these Rules, of any alleged misconduct by a member of The Florida Bar, and the hearing upon any notice of preliminary investigation which is issued, shall be conducted in the county of the residence of the accused attorney, or in the county where he maintains his principal office for the practice of law, or in the county where the offense is alleged to have been committed. If the alleged offense was not committed in, and

the accused attorney neither resides nor maintains his principal office for the practice of law in, the State of Florida, the preliminary investigation and any proceeding upon a notice of preliminary investigation shall be conducted in such county or counties of the State as shall be designated by the Board of Governors.

8. *Assignment and Transfer.* The Board of Governors may transfer a preliminary investigation pending before a committee in one circuit to a committee in another circuit having jurisdiction, or to a special committee appointed by the Board of Governors.

9. *Administration of Oaths by Member of Committee.* Any member of a Grievance Committee has power to administer oaths and affirmations to witnesses and to other persons in any matter within the jurisdiction of the committee.

10. *Depositions.* Depositions may be taken and used in formal proceedings and, upon the order of the committee, in preliminary investigations, in the same manner, as far as applicable, as in civil cases.

11. *Challenges and Disqualification.* No member of a committee or Referee, if challenged before the commencement of a preliminary investigation, or the commencement of a reinstatement hearing, before the introduction of evidence upon a formal hearing, shall act as a member of the committee or as Referee in any such investigation or hearing if he would be disqualified as a Referee upon any of the grounds specified in Sections 38.01-38.10, Florida Statutes. The committee or Referee shall pass upon the challenge. No committee shall conduct a preliminary investigation in which one of its members is the accused attorney.

12. *Who may Not Act as Referee or Appear for Accused Attorney.* No member or former member of the Board of Governors or of the State Board of Bar Examiners, and no employee or former employee of The Florida Bar, shall represent any accused attorney in any preliminary investigation, formal proceeding, or reinstatement hearing in any appearance before a committee of The Florida Bar, the Board of Governors, or the State Board of Bar Examiners, or act as a Referee in any such investigation or proceeding, until at least one annual meeting of The Florida Bar shall have been held subsequent to the date of the expiration of the term for which he was appointed or elected or subsequent to the date of the termination of his employment; nor shall any member or former member of any Grievance Committee represent an accused attorney in any such proceedings during the term for which he was appointed and for six months thereafter, nor, in any case, in any such proceeding heard or partially heard before him.

13. *Effect of Incompetence of Accused Attorney.* No preliminary investigation shall be conducted or any formal proceeding instituted against a member of The Florida Bar who has been judicially declared to be of unsound mind or incapable of conducting his own affairs until a judicial determination has been made that he is of sound mind or capable of conducting his own affairs. Any preliminary investigation or formal proceeding instituted against a member of The Florida Bar who, during the pendency thereof, is judicially declared to be of unsound mind or incapable of handling his own affairs shall be abated until a judicial determination has been made that he is of sound mind or capable of conducting his own affairs.

14. *Effect of Military Service.* No notice of preliminary investigation shall issue or any hearing be held on any notice of preliminary investigation theretofore issued, when the accused attorney is in active "military service" as that term is defined under the provisions of the 1940 Soldiers' and Sailors' Civil Relief Act, and amendments thereto, except at the request of the accused attorney or on the order of the Board of Governors. Nothing herein contained shall prevent the making of findings of fact or recommendation by a Grievence Committee when the case has been submitted prior to the accused attorney's entry into active military service.

15. *Effect of Unwillingness of Complaining Witness and Pendency of Litigation or Criminal Action.* A complaining witness shall assist in the conduct of the preliminary investigation and shall, upon request, in a preliminary investigation or formal proceeding, furnish the committee or Referee with all documents and other evidence in his possession and the names and addresses of witnesses, and shall otherwise assist the committee or Referee in securing evidence in support of the charges made. However, neither unwillingness nor neglect of the complaining witness so to do, nor settlement, compromise, nor restitution, excuses a committee or Referee from undertaking or completing a preliminary investigation or a formal proceeding.

A committee or Referee is not excused from undertaking or completing a preliminary investigation or a formal proceeding merely because the accused attorney is, or during the course of the preliminary investigation or formal proceeding becomes, a party to civil litigation, or is, or during the course of the preliminary investigation or formal proceeding becomes, a defendant or is acquitted in a criminal action, either of which involves the subject matter of such preliminary investigation or formal proceeding. Provided, however, that under the foregoing conditions a committee may, with the consent of the Board of Governors, and shall, upon order of the Board of Governors, withhold further action until final determination of such litigation or criminal action or until the further order of the Board of Governors.

b. Preliminary Investigations

16. *Preliminary Investigations; Nature and Initiation.* Before the issuance against a member of The Florida Bar of any complaint, a preliminary investigation shall be made by a committee to determine whether formal proceedings should be instituted and a formal hearing held. The member of the Bar shall be allowed an opportunity to be heard in the course of the preliminary investigation by the committee conducting the investigation.

Such a preliminary investigation may follow the presentation to The Florida Bar or to any Grievance Committee of charges, whether formal or informal, verified or unverified, written or oral.

The Board of Governors or a committee appointed by the Board of Governors may in the absence of any charge and of its own motion order such a preliminary investigation to be conducted and may appoint a member of The Florida Bar acting for the Bar to act therein.

In preliminary investigations the proceedings shall be informal, but thorough, with the object of ascertaining the truth.

17. *Notice of Preliminary Investigation.* Notice to member of The Florida Bar of his opportunity to be heard upon a preliminary investigation shall be given in writing by the chairman or secretary of the committee.

The Grievance Committee shall render a written report to the Board of Governors of the results of such preliminary investigation with recommendations as to whether further disciplinary proceedings should be had against the accused member.

18. *Reporting and Transcribing Informal Proceedings; Use Of Transcript.* The proceedings in the preliminary investigation shall be stenographically reported and a transcript thereof in triplicate shall be attached to the report of the committee if such committee recommends further proceedings.

c. Formal Hearings

19. *Complaint; Issuance, Contents, Service.* If the Board of Governors finds probable cause that the accused member has been guilty of professional misconduct after the hearing on the report of the Grievance Committee, it shall cause a Complaint in writing to be prepared. The Complaint shall set forth a short and plain statement of the ultimate facts constituting the alleged misconduct, and a copy thereof shall be served upon the accused attorney. The original Complaint shall be filed with the Executive Director of The Florida Bar.

20. *Appointment and Duties of Referee in Formal Proceedings.* The Board of Governors shall forthwith appoint a member of The Florida Bar to serve as Referee to try the issues raised by such Complaint and the pleadings subsequent thereto. Such Referee shall not be a member of the Board of Governors or the Grievance Committee involved. The Board of Governors shall also appoint an active member or members of The Florida Bar to prosecute the Complaint on behalf of the Bar. Such member of The Florida Bar representing the Bar shall not be a member of the Board of Governors.

21. *Joinder; Consolidation.* Any number of acts or omissions or transactions alleged to constitute misconduct by a member of The Florida Bar may be set forth in the same Complaint.

A single Complaint may issue directed to two or more members when the alleged misconduct of each of them arises out of the same statement of alleged facts or related statements of alleged facts and when no substantial rights of either of the members will be prejudiced thereby.

In any such case of joinder or consolidation the findings, conclusions, and recommendations of the Referee may, in the discretion of the Referee, be joint or several.

22. *Pleadings.* The only pleadings permissible upon formal proceedings before the Referee are the Complaint, the answer thereto, and motions challenging the sufficiency of the Complaint or the jurisdiction of the forum, which may be made a part of the written answer to the Complaint. The accused attorney shall file his answer or motions within 20 days of the date of the service of a copy of the Complaint upon him.

23. *Procedure in Formal Proceedings; Evidence.* Informality in a Complaint or the answer thereto shall be disregarded. No finding or recommendation of a Referee made in a disciplinary proceeding shall be invalidated, upon review thereof by the Board of Governors, for error in pleading, or in procedure, or upon any other ground, unless upon the

whole record, including the evidence, the Board of Governors is of the opinion that error has been committed and has resulted or will result in a miscarriage of justice.

23.1 *Prior Proceedings; Evidence.*

Section 1. Admissible Records. The record in any prior disciplinary proceeding against the same accused attorney, or any pertinent part thereof, is admissible in evidence (a) if, under the rules of relevancy, it tends to prove any fact at issue in the pending proceedings, or (b) for the purpose of giving aid in determining the degree of discipline to be administered; provided,

(1) Such prior proceeding resulted in the administration of discipline and has become final, or
(2) Such record contains findings of fact made in a formal proceeding of which the accused attorney had notice, or at which he appeared, or
(3) Such record, whether of a preliminary investigation or formal proceeding, contains an admission against interest by the accused attorney.

Section 2. Other Complaints and Charges. Records of complaints or charges not admissible under Section 1 of this Rule shall not be received in evidence on behalf of The Florida Bar; provided, that if the accused attorney shall introduce testimony to the effect that no complaints or charges have been made against him relating to his professional conduct, then the record of any prior complaints or charges may be received in rebuttal.

24. *Amendments to Complaint and Answer.* The Referee, at any time prior to the conclusion of the hearing, or the Board of Governors, at any time prior to the making of its decision, may allow or require amendments to the Complaint or may allow amendments to the answer. The Complaint may be amended to conform to proof or to set forth additional facts, whether occurring before or after the commencement of the hearing. In case such an amendment is made, the accused attorney shall be given reasonable time to answer the amendment and to prepare his defense against the misconduct charged thereby.

25. *Service of Papers.* All papers shall be served in the manner herein provided.

The Complaint shall be served upon the accused attorney personally or via registered mail at his last known address according to the records of The Florida Bar.

Answers to Complaints, or to any amendment thereto, shall be served by delivering, personally or by mail, the original and four copies thereof to the Executive Director of The Florida Bar.

Statements, applicants, and objections permitted by Rule 33, when presented by a member of The Florida Bar representing the Bar, shall be served by delivering a copy to the accused attorney or by mailing a copy to him at his last known address as shown by the records of The Florida Bar; when presented by an accused attorney shall be served by filing the original and three copies in the office of The Florida Bar in Tallahassee.

Papers may be served by any person over the age of eighteen years, except a complaining witness in the proceeding. The affidavit of the person making service is proof of service.

26. *Answer; Appearances.* The filing of a written answer to the Complaint, or to any amendment thereto, is optional with the accused attorney. If written answer is made, an original and four copies thereof shall be served and delivered in accordance with Rule 25 of these Rules within 20 days from the service of a copy of the Complaint. For good cause shown, the Referee may extend the time for filing an answer to the Complaint, but such an extension of time shall not excuse the accused attorney from appearing before the Referee at the time fixed in the notice of hearing.

The Referee shall serve notice of the time of hearing upon the issues in writing upon the member of The Florida Bar representing the Bar and the accused attorney by registered mail at least 10 days before the date of the hearing. If the accused attorney fails to appear at the time fixed, the Referee shall proceed with the hearing whether or not an answer has been filed and the accused attorney shall not be entitled to further notice. Failure of the accused attorney to appear at the hearing shall not, standing alone, be taken as an admission of the truth of the facts alleged to constitute the misconduct, but testimony shall be taken thereon; provided, however, that the failure of the accused attorney to testify in his own behalf may be considered in determining the issues involved, unless it appears that such failure on the part of the accused attorney was due to circumstances beyond his control.

27. *Contents of Written Answer.* The written answer to the Complaint shall contain the title of the proceeding, an address to which all further notices to the accused attorney in relation to the proceedings may be sent, an admission or denial or explanation of the allegations set forth in the Complaint, and such other matter by way of defense as may be relevant, together with any motion the accused attorney may desire to make challenging the sufficiency of the Complaint or the jurisdiction of the forum.

28. *Hearing; Continuances.* At the time and place fixed in the notice the Referee shall proceed with the hearing, unless for good cause shown the Referee shall continue the same. No continuance shall be for a longer period than thirty days, nor for periods aggregating more than ninety days, without the approval of the Board of Governors.

29. *When Testimony Is to Be Reported and Transcribed in Formal Proceedings.* The testimony of all witnesses appearing before referees in hearings upon complaints shall be taken in shorthand. In all formal proceedings the testimony of all witnesses so appearing shall be transcribed into typewriting and shall accompany the Report made by the Referee to the Board of Governors in accordance with Rule 30.

30. *Prompt Hearing; Report.* In every proceeding upon a Complaint the Referee shall proceed to a prompt hearing, at the conclusion of which he shall promptly make and transmit to the Board of Governors a brief statement of the proceedings had, clear and concise findings of fact, a brief statement of his conclusions based thereon, and such recommendation to the Board of Governors as the Referee determines to be warranted thereby.

31. *Procedure Where Another Member Appears to be Involved.* Should it appear at a hearing before a Referee that another member of The Florida Bar may have participated in the alleged misconduct with which the accused attorney is charged, the Referee shall immediately ascertain whether a preliminary investigation of such other member of the Bar has been or is being held as provided for in Rule 16, and if so, make a finding concerning the status of the same. If no preliminary investigation

of such other member has been or is being held, the Referee shall immediately order a preliminary investigation of such other member as provided for in Rule 16, and shall make a reference to such order in his findings. In either event the proceedings against the particular accused attorney on hearing shall continue in accordance with these Rules without abatement.

d. Review by Board

32. *Notice of Report.* When following a hearing upon a Complaint, the Report of a Referee to the Board of Governors provided for in Rule 30 is received at the office of The Florida Bar in Tallahassee, notice thereof and a copy of the findings, conclusions, and recommendations of the Referee shall be sent by the Executive Director to the accused attorney and to the member of The Florida Bar representing the Bar. The notice shall be accompanied by a copy of Rules 33 and 34. A copy of the letter of transmittal, bearing date of mailing and the name of the person mailing the same, shall be retained in the office of The Florida Bar and shall be prima-facie evidence of the mailing thereof upon said date. The complaining witness shall be advised only as provided for by Rule 6.

33. *Statement in Opposition or Support.* The member of The Florida Bar representing the Bar or the accused attorney, at any time within ten days after the mailing of the notice of the Report, may file with or mail to the Executive Director at the office of The Florida Bar in Tallahassee an original and three copies of a typewritten statement in support of, or in opposition to, the Report of the Referee.

34. *Consideration by the Board of Governors.* The Board of Governors shall consider the matter upon the record submitted under Rule 33 without further evidence.

35. *Filing and Notice of Decision.* The member of The Florida Bar representing the Bar, and the accused attorney shall be notified by the Executive Director of the decision of the Board of Governors and service of such notice shall be complete upon mailing the same addressed to the accused attorney at his last known address appearing upon the records of The Florida Bar. However, it is the duty of the accused attorney to keep informed relative to the status of the disciplinary proceeding.

If the Board of Governors recommends disciplinary action other than by a private reprimand or by placing the accused attorney upon probation, the Board of Governors shall file its judgment accompanied by the record before it with the Clerk of the Supreme Court. The Board of Governors shall appoint an active member or members of The Florida Bar to represent the Board of Governors in any hearings thereafter before the Supreme Court.

36. *Private Reprimand.* When the Board of Governors administers a reprimand to a member of The Florida Bar, the Board shall have prepared and sent to such member a letter advising him specifically of the charges of professional misconduct of which he has been found guilty by the Board of Governors. He may also be required to appear before the Board for said reprimand.

When a private reprimand is administered, no publicity shall be given to such action of the Board of Governors, except that the complaining witness, the Referee, and the committee involved shall be advised of the Board of Governors' action.

Reinstatement

37. *Petition; Form; Contents; Filing Fee; Fingerprints.* The petition for reinstatement shall be in writing, verified by the petitioner, addressed to the Board of Governors and filed, together with three copies thereof, at the office of The Florida Bar in Tallahassee. The cost of investigation by The Florida Bar shall be a part of the costs of reinstatement proceedings. Within ten days after the filing of his petition the petitioner shall furnish one or more sets of his fingerprints, taken in the office of, or under the direction or supervision of, The Florida Bar, on record cards furnished by The Florida Bar for the purpose.

The petitioner shall file with his petition three copies of each of the following, to wit: (1) judgment of conviction, findings, and judgment of the trial court and opinions of the appellate courts, or judgment of the Referee and judgment of the Board of Governors, and decision or order of the Supreme Court, as the case may be, by virtue of which the petitioner stands suspended or disbarred; (2) all prior petitions for reinstatement which may have been filed in his behalf, and of all findings, decisions, and orders made or entered in connection therewith; and he must, at such times as may be required, furnish such other information as in the opinion of the Board of Governors, or the committee to which the petition is referred, may be necessary or desired; and (3) Federal income tax returns of the petitioner for each of the three years immediately preceding the year in which the petition is filed. The petitioner shall also deliver to the Board of Governors his written consent to the Board of Governors to secure copies of the originals of said returns from the proper agency of the Treasury Department of the United States.

The petitioner shall, in the first instance and in addition to any other requirements hereof, set forth fully and accurately in his petition the following information covering the period between the date of disbarment or suspension, as the case may be, and the date of the filing of the petition, to wit: (a) name, age, residence, address, and number and relation of dependents of the petitioner; (b) the offense or misconduct upon which the disbarment or suspension was based, together with the date of such disbarment or suspension; (c) the names and addresses of all complaining witnesses in any disciplinary proceedings which resulted in disbarment or suspension, and the name and address of the Referee before whom such disciplinary proceedings were heard, or of the trial judge, complaining witness, and prosecuting attorney, if disbarment was based upon conviction of a felony or misdemeanor involving moral turpitude; (d) the nature of petitioner's occupation in detail during said period, with names and addresses of all partners, associates in business, and employers, if any, and dates and duration of all such relations and employments; (e) a statement showing the approximate monthly earnings and other income of petitioner, and the sources from which all such earnings and income were derived during said period; (f) a statement showing all residences maintained during said period, with names and addresses of landlords, if any; (g) a statement showing all financial obligations of petitioner at date of filing of the petition, together with the dates when the same were incurred, and the names and addresses of all creditors; (h) a statement showing the dates, general nature, and final disposition of every civil action wherein petitioner was either a party plaintiff or defendant or in which he had or claimed an interest, together with dates of filing of complaints, titles of courts and

causes, and the names and addresses of all parties plaintiff and defendant, names and addresses of attorneys for said parties and of the trial judge, or judges, and names and addresses of all witnesses who testified in said action or actions; (i) a statement showing dates, general nature, and ultimate disposition of every matter involving the arrest or prosecution of petitioner during said period for any crime, whether felony or misdemeanor, together with the names and addresses of complaining witnesses, members of The Florida Bar representing the Bar, and trial judges; (j) a statement as to whether or not any applications were made during said period for a license requiring proof of good character for its procurement; and as to each such application, the dates, the name and address of the authority to whom it was addressed, and the disposition thereof; (k) a statement of any procedure or inquiry, during said period, concerning petitioner's standing as a member of any profession or organization, or holder of any license or office, which involved the censure, removal, suspension, revocation of license, or discipline of petitioner; and as to each, the dates, facts, and the disposition thereof, and the name and address of the authority in possession of the record thereof; (1) a statement as to whether or not any charges of fraud were made, or claimed, against petitioner during said period, whether formal or informal, together with the dates and names and addresses of persons making such charges; (m) a concise statement of facts claimed to justify reinstatement to The Florida Bar; (n) a statement of what restitution, if any, the petitioner has made to clients of monies unaccounted for by such accused attorney which constituted the basis of disciplinary action against him; and (o) a statement showing what amounts, if any, of the costs assessed against the accused attorney in the prior disciplinary proceedings against him have been paid by the accused attorney.

38. *Reference of Petition.* The Board of Governors may, in its discretion, refer the petition for reinstatement to the Grievance Committee of the county where the petitioner resides, or to a reinstatement committee to be appointed by the Board of Governors, the members of which committee shall not be members of the Board of Governors, to the State Board of Bar Examiners, or other committee, for investigation and report on the fitness of the petitioner or on other facts, by means of formal hearing and findings, or otherwise.

39. *Reinstatement Attorneys.* When a petition for reinstatement is referred by the Board under the provisions of Rule 38, the Board of Governors may appoint, or may request any local bar association to appoint, from the active members of The Florida Bar, one or more attorneys whose duties when appointed are to appear at the hearings and to prepare and present to said committee or reinstatement referee evidence which in the opinion of the committee or of the attorneys should be considered in passing upon the petition.

39.1 *Depositions.* Depositions, including that of the petitioner, may be taken and used in reinstatement proceedings in the same manner, as far as applicable, as in civil cases.

In applying the procedure prescribed for civil cases to the procedure before the committee, the Referee, and the Board of Governors, the function of the court shall be performed by the Grievance Committee, the Referee, or the Board of Governors, and the rights and duties of the respective parties in a civil case shall be exercised and performed by the

petitioner and the member of The Florida Bar representing the Bar, respectively.

For the failure of the petitioner to submit to examination as a witness, pursuant to notice given, the Board of Governors shall dismiss the petition for reinstatement unless good cause is shown for such failure.

40. *Hearing; Notice; Evidence.* The committee or Referee to whom the petition for reinstatement is referred shall fix a time and place for hearing, and notice thereof shall be given, at least five days prior to the hearing, to the petitioner and to each of the persons required to be named in his petition, and to such other persons as may be designated by the Board of Governors, Referee, or by any member of the committee to which the petition is referred.

Any of said persons, any other interested person, or any local bar association may appear before said committee in support of or in opposition to the petition at any time or times fixed for hearings thereon.

41. *Who May Not Appear for Petitioner.* No member or former member of the Board of Governors, or of the State Board of Bar Examiners, and no employee or former employee of The Florida Bar, shall represent any person seeking admission or reinstatement in any appearance before a committee of The Florida Bar or the Board of Governors until at least one annual meeting of The Florida Bar shall have been held subsequent to the date of the expiration of the term for which he was appointed or elected or subsequent to the date of the termination of his employment; nor shall any member or former member of any Grievance Committee represent a petitioner or applicant in any such proceeding during the term for which he was appointed and for six months thereafter, nor, in any case, in any such proceeding heard or partially heard before him.

42. *Prompt Hearing; Report.* The committee or committees to which a petition for reinstatement has been referred by the Board of Governors shall proceed to a prompt hearing, at the conclusion of which it shall promptly make and transmit to the Board of Governors a report pursuant to the instructions of the Board of Governors.

43. *Notice of Reinstatement Committee's Report.* When the report to the Board of the committee to which a petition for reinstatement has been referred is received at the office of The Florida Bar in Tallahassee, a copy thereof shall be sent by the Executive Director to the petitioner and to the member of The Florida Bar representing the Bar and to each local bar association which has appeared in the proceeding. A copy of the letter of transmittal, bearing date of mailing and the name of the person mailing the same, shall be retained in the office of The Florida Bar and shall be prima-facie evidence of the mailing thereof upon said date.

44. *Statement in Opposition or Support.* At any time within ten days after mailing of the notice of report the petitioner or the member of The Florida Bar representing the Bar or any local bar association may file in the office of The Florida Bar in Tallahassee an original and three copies of a typewritten statement in support of or in opposition to the report.

45. *Consideration by Board of Governors.* After the filing of said report, the Board of Governors shall consider the petition upon the findings and recommendations of the committee and the record before such committee.

46. *Necessary Showing.* The Board of Governors shall make a favorable recommendation to the Supreme Court upon a petition for reinstatement only upon an affirmative showing to the satisfaction of the Board of Governors that the petitioner possesses the qualifications required for admission to practice law in the State of Florida.

47. *Decision; Filing.* The Executive Director shall file a certified copy of the Board of Governors' decision and the record of the proceedings with the Clerk of the Supreme Court and mail copies of such decision to all proper parties.

48. The word "committee" as used in these Rules of Disciplinary Procedure shall, unless the context otherwise clearly indicates, refer to the Circuit Grievance Committees and any committee appointed by the Board of Governors pursuant to the provisions of Article XI of the Integration Rule of The Florida Bar.

49. *Rules Not applicable to Suspension for Non-Payment of Dues.* The foregoing Rules relating to reinstatement shall not apply to cases of suspension for non-payment of The Florida Bar fees.

50. *Effective Date; Pending Proceedings.* These revised Rules shall take effect on February 1, 1955. Proceedings commenced prior to said date may, however, be carried on to final determination, in part or in full, under the provisions either of the rules in effect prior to said date or of these revised Rules, or both.

Article II

MEMBERSHIP

All members of The Florida Bar who have not yet reached the age of thirty-six shall be enrolled as members of the Junior Bar Section; provided, however, that any member who shall reach the age of 36 years shall be entitled to the rights of privileges of membership for the remainder of the fiscal year in which his 36th birthday occurs.

Article III

OFFICERS

The officers of the Bar shall be a President, a President-elect and a Secretary-Treasurer.

A President-elect, a Secretary and a Treasurer shall be elected by the members of the Junior Bar Section of The Florida Bar at its annual meeting to be held in 1953. Such officers shall take office at the conclusion of said meeting and shall hold office until the 1954 annual meeting. At the conclusion of the 1954 annual meeting, and at the conclusion of all future annual meetings of the Bar, the President-elect shall take office as President; provided, however, that the Vice-President elected at the annual meeting in 1952 shall, upon adoption of these regulations by the Junior Bar Section and approval by the Board of Governors of The Florida Bar, become President-elect and shall succeed to the office of President at the termination of the annual meeting held in 1953.

A President-elect, a Secretary and a Treasurer shall be elected at the annual meeting held in 1953 and at each annual meeting thereafter.

In the event the President is absent or unable to act, his duties shall be performed by the President-elect, and in the absence of the President and President-elect such duties shall be performed by the Secretary, and in the absence of all of the foregoing officers, by the Treasurer. In the

No active member of the Bar shall be ineligible for election to any of the foregoing offices by reason of the fact that as a representative or representative-elect from a judical circuit he is a member or member-elect of the Board of Governors; but anyone elected to any such office shall be entitled to cast only one vote on matters of business coming before the Board for consideration.

Article IV

ELECTION OF OFFICERS

All officers shall be elected at the annual meeting of the Junior Bar Section and shall hold office until the adjournment of the next annual meeting of the Junior Bar Section and until their successors are elected and qualified. The same person shall not serve as President for two successive years except that a President-elect who serves the unexpired term of a President shall be entitled to serve as President during the term for which he was elected. A majority of the votes cast at such annual meeting shall be necessary to the election of all officers and such vote shall in all cases be by written ballot.

The Nominating Committee shall consist of the President, who shall act as Chairman, but shall have no vote on the Committee, and one member from each of the judicial circuits as hereafter provided.

Prior to the convening of the annual meeting of The Florida Bar, the members in each of the judicial circuits shall elect one of their number a member of the Nominating Committee of the Junior Bar Section and written notice of such election shall be given the President by the member of the Board of Governors from each of such circuits prior to the convening of the such annual meeting.

Upon the convening of the annual meeting of The Florida Bar it shall be the President's duty to appoint each person so elected by the members in each circuit as members of the Nominating Committee; provided, however, that in the event the members in any circuit or circuits shall have failed to elect a member of the Nominating Committee or failed to advise the President thereof as hereinabove provided, then the President shall appoint as such member of the Nominating Committee one member of the Board of Governors from such circuit. In the event any circuit has failed to elect a member of the Nominating Committee or failed to advise the President thereof as hereinabove provided, then the President shall appoint a member of the Junior Bar Section as such member of the Nominating Committee.

Such Nominating Committee shall meet during said annual meeting and it shall be the duty of the President, as Chairman thereof, to notify all the members thereof of the time and place of such meeting or meetings, and shall nominate one or more candidates for each office for the ensuing year. The President shall make a written report of such nominations and certify thereon that the notice of all meetings of said Committee has been given by him as hereinabove provided.

Additional nominations may be made by members of the Section from the floor at the time of the election of officers. All candidates so nominated shall be presented to the Junior Bar Section immediately before the election of such officers.

The members of the Board of Governors from each Judicial Circuit shall be nominated and elected by the active members of the Junior Bar Section residing in such Judicial Circuit, who shall be present and shall vote at the annual meeting. Each elected member shall hold office for two years and until his successor is elected and qualified. The members representing the odd numbered circuits who are first elected under these regulations shall hold office for one year and until their successors are elected and qualified; thereafter, elections in odd numbered circuits shall be held in odd numbered years, and elections in even numbered circuits shall be

held in even numbered years. Any vacancy on the Board of Governors arising in the office of representative from a Judicial Circuit shall be filled by the remaining members of the Board for the unexpired term, from the active membership of such circuit. The members of the Board of Governors elected at the annual meeting in 1952 shall, upon adoption of these Regulations by the Junior Bar Section, and approval by the Board of Governors of The Florida Bar, be deemed to be those first elected under these Regulations and shall serve for the terms hereinabove provided.

Upon the failure of any member of the Board of Governors to attend two successive meetings, his membership on the Board shall become terminated and the Board at such successive meeting shall fill such vacancy as provided hereinabove.

Article IX
